

Title IV Timeline

For FFY18, 19, and 20

FFY19

FFY20

Through the CARES Act, FFY18 funding was extended to align with the FFY19 timeline. Through the FFY18 FER and rollover process, your FFY18 funding has been rolled over into your FFY19 funding stream and remains available within your FFY19 grant. For more information on FER and rollover click [here](#).

FFY21

We anticipate the FFY21 timeline to follow the same date pattern with the application being released around July and due in August. The grant will then continue the 24 month cycle we have previously utilized with funding available until 2023.
